

PART V. APPENDICES

CONTENTS

A 1. Part 1 - Updated Data and Analysis - Land Use

LAND USE THEME: THE ESTABLISHED DEVELOPMENT PATTERN

Introduction	1
The Facts	
Population Trends	2
Pinellas County and Sprawl	5
Measuring the Established Development Pattern	7
Residential Development Trends	13
The Approach of Buildout	16
A Diminishing Supply of Developable Land.....	16
Rising Property Values	19
Redevelopment at Higher Densities and Intensities	22
Other Challenges Created by Buildout	25
What the Facts Mean.....	28

Figures

1	Historic Population Growth in Pinellas County, 1920-2000.....	3
2	Comparison of Permanent Population Projections for Pinellas County, 2000-2025	4
3	Existing Land Use Distribution for Pinellas County, 2002	8
4	Future Land Use Plan Distribution for Pinellas County, 2002.....	9
5	Map of the Four County Areas	11
6	Estimated and Projected Increase in Pinellas County Housing Units, 1940-2030	13

Tables

1	Projected Permanent and Seasonal Population for Pinellas County, 2000-2025	5
2	Future Land Use Designations by County Area, 2000.....	12
3	Estimated and Projected Number of Dwelling Units by County Area, 2000-2030	14
4	Age Distribution of Dwelling Units in Pinellas County, by Actual and Effective Age, 2000	15
5	Effective Age Distribution of Pinellas County Dwelling Units by County Area, 2000.....	15

PART V. APPENDICES (CONT.)

LAND USE THEME: THE ESTABLISHED DEVELOPMENT PATTERN (CONT.)

Tables (Cont.)

6	Vacant Land Acreage in Pinellas County, 1989-2002	17
7	Farms and Farm Acreage in Pinellas County, 1987-1997	17
8	Mobile Home Acreage in Pinellas County, 1989-2002	19
9	Increase in Developed Acreage and Assessed Land Value in Selected Existing Land Use Categories, 1996-2001	21
10	Change in Acreage of Pinellas County Future Land Use Designations, by Density and Intensity of Land Use, 1995-2002	24
11	Land Used for Existing Recreation/Open Space and Preservation in Pinellas County, 1989-2002	26

LAND USE THEME: THE LAND USE/TRANSPORTATION RELATIONSHIP

Introduction	29
--------------------	----

The Facts

Population Growth, Roads, and Congestion	30
Other Methods for Mitigating Traffic Congestion	33
Pedestrian/Bicycle Access	37
The Existing Bus/Trolley System	41
The Proposed Monorail System	43
Transit and Density	45
Transit-Oriented Development	49
Parking Management	51
Special Parking Standards for Downtowns	54
Beyond Pinellas County	56
What the Facts Mean	59

Figures

7	Existing and Projected Annual Vehicle Miles Traveled on Pinellas County Roads, 1990-2025	33
8	Existing and Proposed Trails in Pinellas County	39
9	Annual Ridership on the PSTA Bus System, 1990-2002	42
10	Conceptual Diagram of a Transit Corridor	46
11	Proposed Monorail Corridors and Stations	48

Tables

12	Example of Induced Traffic Following the Opening of the Bayside Bridge .	32
13	Minimum Parking Standards Compared with Actual Parking Demand, Westfield, New Jersey	52

PART V. APPENDICES (CONT.)

LAND USE THEME: THE LAND USE/TRANSPORTATION RELATIONSHIP (CONT.)

Tables (Cont.)

14	Percentage Distribution of Travel between Pinellas County and Adjacent Counties, 1992 and 2000	56
15	Average Annual Traffic Increase on Corridors Linking Pinellas County and Adjacent Counties, 1992 to 2000	57

LAND USE THEME: THE NATURAL ENVIRONMENT

Introduction	60
The Facts	
Protecting the County's Natural Amenities	61
Addressing the Risks of Natural Hazards	65
Balancing New Development and Redevelopment with Natural Resources and Limitations.....	70
What the Facts Mean.....	74

Figures

12	Aerial Photograph Showing Pinellas County's Coastline	62
----	---	----

LAND USE THEME: ECONOMIC SUSTAINABILITY

Introduction	75
The Facts	
The Need for Sustainable Contributory Industries	76
The Tourism Sector.....	77
Redevelopment Needed to Support Tourism.....	79
The Service Sector	83
Redevelopment Needed to Support Services	85
The Manufacturing Sector.....	88
Redevelopment Needed to Support Manufacturing.....	90
Special Characteristics of High-Tech Businesses	92
Redevelopment Needed to Support High-Tech Businesses.....	93
Redevelopment Needed to Maintain Overall Economic Stability.....	96
What the Facts Mean.....	99

Figures

13	Distribution of Pinellas County Jobs by Economic Sector, 1990-2001	84
14	Average Cost of a Single-Family Home in Pinellas County, 1999-2002	86

PART V. APPENDICES (CONT.)

LAND USE THEME: ECONOMIC SUSTAINABILITY (CONT.)

Tables

16	Industrial Future Land Use Acreage, 1993-2002	88
17	Existing Land Uses on Land Designated for Industrial Use, 2000	89
18	Change in Countywide Existing Industrial Land Use Acreage, 1993-2002 ..	89

A 1. Part 2 - Updated Data and Analysis - intergovernmental coordination

INTERGOVERNMENTAL COORDINATION THEME: INTRODUCTION

Coordination, Cooperation, and Other Terms Defined.....	2
Measuring Cooperation.....	4
Dimensions of Interjurisdictional Cooperation.....	5
Benefits and Difficulties with Cooperation	5
Qualities of Cooperative Practices.....	8
Coordination and State Law.....	9
Issues Addressed in Local ICE	10
Improved Public Facilities Coordination.....	10
Improved Coordination of Transportation Facilities	11
Improved Integration of Local Government and Pinellas County School Board Planning Activities.....	12
Improved Recreation Facilities Coordination.....	13
Avoiding Incompatible Land Uses Along Common Borders	13
Location of Problematic Land Uses	14
Improved Stormwater Management	14
Coordinated Efforts To Protect Natural Resources	15
Improved Natural Hazard Mitigation in Coastal Areas	15
Resolving Conflicts Between Jurisdictions	16

INTERGOVERNMENTAL COORDINATION THEME: THE CURRENT ENVIRONMENT

Introduction.....	17
The Facts	
Role of the PPC and CPA	18
PPC Strategic Plan.....	18
The Countywide Planning Process in an Intergovernmental Context.....	21
The Planners Advisory Committee.....	22
Governance Issues	23
Need For a Better Sense of Community	23
Multiplicity of Agencies and Duplication of Effort	24
Annexation Issues	25

PART V. APPENDICES (CONT.)

INTERGOVERNMENTAL COORDINATION THEME: THE REDEVELOPMENT AND REGULATORY CHALLENGE	
Introduction	27
The Facts	
Countywide Redevelopment Efforts	28
The Redevelopment Initiative	28
The Pinellas Mobility Initiative	29
The Gulf Boulevard Improvements Project	29
The Vision 2010 Task Force	30
The Pinellas Assembly	30
Planning to Stay	31
Summary	31
The Need for Public Outreach.....	31
Redevelopment Impediments and Incentives.....	33
Impediments	33
Incentives	34
Regulatory Mechanisms and Considerations	36
The Statewide Building Code	36
The Comprehensive Planning Process	37
The Coastal High Hazard Area	38
Redevelopment Objectives and Approaches.....	39
Local Regulatory Issues	40
What the Facts Mean.....	42
INTERGOVERNMENTAL COORDINATION THEME: THE GOVERNANCE AND SERVICE DELIVERY CHALLENGE	
Introduction	43
The Facts	
Local Government Roles and Responsibilities	44
Service Provision Issues.....	45
Community Redevelopment Agencies.....	46
Transportation	47
Fire Districts.....	49
Law Enforcement	49
Recreation	50
Potable Water/Sanitary Sewer	52
Conclusion.....	52
Best Practices for Shared Service Agreements	53
Best Practices for Public-Private Partnerships	56
What the Facts Mean.....	59

PART V. APPENDICES (CONT.)

INTERGOVERNMENTAL COORDINATION THEME	OPPORTUNITIES FOR
ENHANCED INTERGOVERNMENTAL RELATIONS	
Introduction.....	61
The Facts	
Options for Change: Do Nothing, Incremental, and Fundamental	61
Concepts to Consider	
Jurisdictional Consolidation	63
Revenue Sharing	67
Council of Governments	69
Institutionalization of Face-to-Face Contacts	73
A 2. Glossary	A 2. 1-15
A 3. References	A 3. 1-14
A 4. Responsibility Matrix.....	A 4. 1-26
