

SELECTED RESOURCES FOR PLAN AMENDMENTS

1. <http://www.co.pinellas.fl.us/ppc/>
Link to EAR assistance. PPC staff will be preparing data summaries and compiling information for municipalities to use in preparing the EAR-based amendments. As information for the EAR-based amendments is developed, it will be posted for downloading. However, you may wish to directly access information from the resources listed here.
2. <http://www.dca.state.fl.us/>
Link to “our programs” for a list of DCA program areas. Choose the “comprehensive planning” link for information on statutes, rules, procedures, and timelines. There are dozens of helpful links.
3. <http://www.swfwmd.state.fl.us/>
Links to “data” and “documents” should be helpful.
4. <http://www.tbrpc.org/>
Link to the “Strategic Regional Policy Plan”, a presentation from a workshop on “transportation proportionate share and concurrency,” and “FIAM resources”.
5. <http://www.pinellascounty.org/>
Link to “Depts. A-Z” and then link to MPO for transportation information and to “Planning” for additional links to data and resources to assist with your plan.
6. <http://www.tampabaywater.org/>
Link to “your water supply” to find the master water plan and other helpful information.
