RECOMMENDATION:
Council Review, Discuss As Appropriate
(Information Only – No Action Required)

BACKGROUND:

This report provides a tabulation of voluntary annexations received for the month of June, 2009.

The Planning Council received a total of five voluntary annexation petitions in June from the cities of Clearwater, Largo, and Pinellas Park. The proposed annexations contain one commercial use and four residential uses. The proposed annexations totaled 11.24 acres and approximately \$15.2 million in taxable value. Total MSTU tax revenues from the \$15.2 million of taxable value are \$31,679 using the 2008/09 fiscal year tax rate. It is estimated that about 13 residents will be affected by a change in jurisdiction. Two of the five annexations will reduce two enclaves in the county by 0.46 acres.

Table 1 describes each of the voluntary annexation petitions received in the month of June, including when the Planning Council staff received the petition, the annexing municipality, acreage, taxable value, estimated population affected, and property use.

Table 2 provides a cumulative log for all voluntary annexations reviewed during Fiscal Year 2008/09, by municipality.
